

# Programming Languages

This section contains material on programming languages other than assembler, such as BASIC, COMAL, and so on.

## BASIC Programming

- [Overview of Basic V2 commands](#) - (External link, but useful info)
- [Reference for HES GRAPHICS BASIC 1.07](#)

## COMAL Programming

The [books section](#) contains a COMAL reference guide.

## PROMAL Programming

Find disk images, manuals, newsletters and many various resources for the PROMAL programming language at [Lyonlabs](#)
